## **Summary**

To: Board of Supervisors

From: Cathy Vollbrecht

**Director of Communications** 

Subject: March Monthly Statistical Report

Date: March 14, 2013

A note about this month's report:

- Construction on the Chichester Building is complete. A dedication was held March 5, 2013. For more information, please see pages 6 and 19.
- The grand opening of the Stafford Civil War Park is scheduled for April 27, 2013. For more information, please see pages 12 and 17.
- Stafford's gateway signs are going up. For more information, please see pages 12 and 19.
- Information on social media may be found on page 50.

Please let me know if you have any questions.

## Service Excellence

What Our Customers Are Saying About Us

## Tourism, PRCF

Tom Mountjoy visited the Tourism office recently to express his gratitude for their assistance. Staff helped Mr. Mountjoy with an event he held to open a Civil War fort on his property to the public. More than 80 visitors toured the site of Redoubt No. 2/Fort No Name. Mr. Mountjoy especially thanked Heather Hamm of PRCF for her help in shuttling the visitors between the government center and his property.

## **Public Works, Planning and Zoning**

Bruce Reese of the Fredericksburg Area Builders Association (FABA) emailed recently to thank Planning and Zoning and Public Works staff for their time. The staff met with FABA to discuss changing stormwater and erosion and sediment regulations. Mr. Reese described the meeting as "informative, timely and beneficial." He wrote that "Stafford County continues to set the bar for your willingness to disseminate information and communicate with the Association."

## Fire and Rescue, Sheriff's Office

A Stafford County employee wrote to thank the crews on Medic 2 and Rescue Engine 2 as well as Stafford Sheriff's Office dispatchers on D Shift. All of these personnel recently assisted in the transporting of her mother after she suffered a stroke. The employee thanked everyone for their professionalism, compassion and dedication.

The Board of Supervisors has set specific priorities for Stafford County geared toward making our community a high quality place for people to live, work and raise a family. The priorities are Education, Public Safety, Infrastructure, Economic Development and Service Excellence, all encompassed by an overall theme of Fiscal Responsibility and Reducing the Tax Burden.

The priority of Service Excellence is a reflection of the Board's commitment to providing the highest quality of customer service to our citizens, businesses, visitors and all other customers of Stafford County. Stafford employees pride ourselves in going above and beyond to take care of all of our customers. This page reflects examples of how our employees support Service Excellence.

## **Planning and Zoning**

Jim Rodriguez, Webelos 1 Den Leader, Pack 26, thanked Robert Waslov of Planning and Zoning for giving his time to the pack. Robert gave a presentation, complete with plans, to the members who were working on an engineer activity badge. Mr. Rodriguez wrote that the scouts really enjoyed Robert's presentation and it was "just what they needed for their engineering badge."

## **Financial Report to the Community**

# Principles of Responsible and Accountable Government

Maintain a balanced budget \* Maintain a AA bond rating \*
Fully fund our pension liability including full implementation of
the state's pension reform whereby employees pay
approximately one-third of their pension costs \* Borrow money
only for capital projects and borrow under strict debt
limitations \* Maintain Reserves (12% undesignated fund
balance; Reserve for capital projects; Rainy Day Reserve (for
unforeseen circumstances); Stafford Opportunity Fund (for
economic development projects) \* Report to the Board on
costs savings and efficiencies \* Estimate revenues very
conservatively \* Spend less than adopted budgets \* Maintain
lowest per capita expenditures among peer localities \* Monitor
expenses and revenues weekly \* Consistently use innovative
practices to run government as efficiently as possible \*
Provide monthly financial report to the community

## Savings and Efficiencies

By reviewing departmental use from previous years, County Administration staff ordered less letterhead this year and is encouraging departments to use an electronic letterhead template for in-house and informal memos. This new practice will result in \$1,000 in savings per department.

## **FY2014 Proposed Budget**

The County Administrator presented the proposed FY14 Budget on March 5, 2013.

#### **Key Facts**

- Residential real estate taxes down 14% over 6 years (inflationadjusted)
- Non-public safety staffing same as 2004
- Stafford maintains lowest cost per capita compared to our six peer localities
- Reserves fully funded
- 31 capital projects underway – more than at any other time in our history

## **Signs of the Times**

One of Stafford's effective fiscal strategies is preparing for unknowns with the following tools: enhanced reserves; conservative revenue estimates; cash capital fully funded; contingency fully funded; and a 5 % appropriation hold. These efforts have led to bond rating upgrades by both Standard and Poor's and Fitch Rating Services. Fitch said "The County mitigates sequestration risks with conservative budgeting, strong financial reserves, and continued diversification."

## In the Pipeline... Projects Coming to You

#### 2013

- Opening of Crow's Nest Nature Preserve
- Trailblazing Signs
- Stafford Elementary School Renovation
- Courthouse Renovation (Former Commonwealth's Attorney Space)
- · Courthouse Streetscape

- Civil War Park
- Chichester Building, New Commonwealth's Attorney Offices
- · Smith Lake Park Parking Lot Expansion

## Economic Development 10-Point Plan

In 2011, the Board of Supervisors adopted an Economic Development 10-Point Plan, with the goal of providing a more desirable community with an excellent business climate, conducive to increased investment by the private sector and the expansion of job opportunities for its citizens, a world class school system, modern public safety services ensuring a safe community, and with abundant and adequate parks and recreation amenities.

#### Issue One

Improve overall fiscal competitiveness.

#### Issue Two

Enact business friendly policy initiatives.

#### Issue Three

Improve Stafford's ability to attract and retain a high quality workforce.

#### **Issue Four**

Improve Stafford's transportation and public safety infrastructure.

#### Issue Five

Accelerate redevelopment activities.

#### **Issue Six**

Create opportunities to gain more input on economic development policies from the private sector.

#### Issue Seven

Enhance small business assistance programs.

## **Issue Eight**

Create economic development incentive programs.

#### **Issue Nine**

Reinvigorate the Business Retention and Expansion (BRE) initiative.

#### Issue Ten

Enhance economic development marketing plan.

## **Economic Development 10-Point Plan Update**

With the Board's formal adoption of the Economic Development 10-Point (ED10) Plan in September 2011, full implementation of associated actions and tasks is underway. Since the last monthly report to the Board, work continued on the following issue areas of the ED10 Plan:

- The Business Retention and Expansion (BRE) program staff was asked to report to the Virginia Department of Business Assistance's BRE Forum group on the recent Sequestration Seminar Series effort. The briefing was offered during the Forum's first quarterly meeting of 2013. The Department of Business Assistance hosts these forums regularly to allow business retention practioners from throughout the state to share ideas and updates on retention and expansion efforts at work elsewhere in the Commonwealth.
- Falling in line with local workforce development initiatives, Stafford Economic Development staff participated
  in the Fredericksburg Regional Alliance/University of Mary Washington Speed Networking evening. The event
  was developed during 2012 to help prepare UMW students for the workplace through speed networking and
  interview conversations with local executives and officials. Approximately 25 students participated in this
  year's effort.
- The BRE manager attended a Micro Business Lending conference sponsored by the Federal Reserve Bank of Richmond and the Virginia Department of Housing and Community Development. Funding small business growth through small revolving loans could help the community realize its redevelopment vision, assist military members and their spouses in starting small business ventures, or help make the funding difference for existing local firms.
- The BRE program continues to assist on retail attraction efforts a project that heavily relies on the existing business mix and present income levels. The potential data center project sites are also now available on the Economic Development website, www.GoStaffordva.com, for review with more detailed information available in the office.
- Boswell's Corner Redevelopment staff assisted Federal Highway Administration staff with setting up their final public information meeting for the preliminary design work on U.S. Route 1 improvements on March 26 at Hilldrup Moving and Storage, 4022 Jefferson Davis Highway, Stafford, VA 22554. This \$890,000 project was recommended by the Quantico Growth Management Committee, which included Stafford County representatives. The Quantico Growth Management Committee was formed to help plan actions to mitigate the impacts resulting from the 2005 Base Realignment and Closure (BRAC) initiative. This will be the project's third meeting with the public. Federal Highway Administration staff will brief the Infrastructure Committee on March 19. Over the next few months the project will be transferred to the Virginia Department of Transportation to complete design and move toward construction. (Issue 5e)
- Boswell's Corner Redevelopment and Economic Development staff participated in the first Joint Land Use Study meeting. Stafford, Prince William and Fauquier Counties have joined with Marine Corps Base Quantico in a joint effort to study impacts to land uses adjacent to the base. The study also follows the recently completed BRAC initiative. This \$250,000 study is funded by a grant from the Department of Defense. As with the earlier BRAC effort, Stafford County will be the fiscal agent for this work. (Issue 9c)

## **Economic Development** 10-Point Plan Update

- Courthouse Area The Virginia Department of Transportation continues to refine the final design of the new Interstate 95 interchange with Courthouse Road. They are now meeting with affected land owners to explain how the plans will impact their properties. They continue to coordinate with Redevelopment staff and they will brief the Infrastructure Committee on March 19. (Issue 5e).
- Falmouth Village The Access Eye Center has purchased two parcels to the south of the Eye Center so that
  they now have frontage on both Cambridge Street (U.S. Route 1) and Forbes Street. Eye Center owners are
  discussing plans with Redevelopment staff to develop these two parcels for commercial and mixed-uses.
  (Issue 6c)
- Falmouth Village The Virginia Department of Transportation has demolished several buildings at the intersection of U.S. Route 1 and U.S. Route 17 as they move forward with upgrading this critical intersection. Construction is expected to start in early 2014 and be completed by 2015. (Issue 5e)
- Southern Gateway The Virginia Department of Transportation continues to work with property owners affected by planned improvements to U.S. Route 17 between Interstate 95 and GEICO. (Issue 5e)
- Economic Development staff participated in department educational presentations to the Stafford Citizens Academy. (Issue 7B)
- Economic Development staff have begun planning for the Annual Business Appreciation Week luncheon on June 6, 2013.(Issue 9D)
- Economic Development staff attended the Fredericksburg Chamber of Commerce Annual Business Gala. (Issues 10A, 10B)
- Economic Development staff participated in the Stafford Hoteliers meeting facilitated by the tourism manager. The purpose of the meeting was to provide a collaborative partnership venue for hotel managers and owners to discuss issues and work to create an effective marketing brand to connect hotel stays with tourism events and promotions. (Issue 8D)
- Economic Development staff joined the Military Affairs Council to meet Rear Admiral Richard A. Henderson, Commander at Naval Air and Missile Defense Command and Aegis Ballistic Missile Defense Command, Dahlgren. A presentation followed on the effectiveness of using an Aegis missile shot from the U.S.S. Lake Erie to destroy a falling satellite that occurred early that morning. (Issue 9C)
- Economic Development staff conducted the department's first mission to the International Council of Shopping Center's Mid-Atlantic Conference at the National Harbor in Washington, D.C. The purpose of the event was to meet with retail chain site directors, brokers and developers to market Stafford County as an ideal location for their business.(Issue 10A)

## **Economic Development** 10-Point Plan Update

#### Tourism:

- Wayfinding gateway signs are appearing on the primary and secondary roads at the entrances of Stafford
  County. The gateway signs pictured below appeared the first week of March on Jeff Davis Highway, U.S.
  Route 17 and U.S. Route 3. The Historic Falmouth signs that help define the Falmouth District are also being
  installed.
- After the Board of Supervisors approved \$350,000 of county funds to facilitate the celebration of the 350<sup>th</sup>
   Anniversary of Stafford County, the fundraising leadership is moving ahead with great momentum. Tourism
   staff is supporting these efforts. Opening day for the Stafford Civil War Park will be held on April 27, 2013 and
   will be brought to life with the assistance of 50 re-enactors, living history tour guides and cannon fire
   demonstrations.

# 2009 Parks and Recreation Bond Referendum Projects Underway

PROJECT	Chichester Park
Description	Baseball/softball complex
Project Budget Amount	\$8,500,000
Completion Date of Design Phase	December 2012
Current Projected Completion Date of Project	2014
Recent Activity	Project was advertised for bid on December 18, 2012. Bid opening occurred January 31, 2013. Six bids were received. Staff has determined that the low bidder's qualifications and references are good and that the low bid was responsive and bidder is responsible. The construction contract award was discussed at the Board's Infrastructure Committee meeting on February 19, and by the Board on February 19. The Board requested additional information and deferred action until March 19. The construction contract award will be discussed at the Board's Infrastructure Committee meeting on March 19 and is scheduled for Board action on March 19.
PROJECT	Land Acquisition
Description	Acquire land for a future park
Project Budget Amount	TBD
Completion Date of Planning Phase	TBD
Current Projected Completion Date of Project	TBD
Recent Activity	A response has been received from SASA. Discussions are continuing.

# **2009 Parks and Recreation Bond Referendum Projects Underway**

PROJECT	Curtis Park Pool
1 KOOLO1	Guitis Fair Fooi
Description	Renovate the existing outdoor pool
Project Budget Amount	\$1,500,000
Completion Date of Design Phase	June 2013
Current Projected Completion Date of Project	May 2014
Recent Activity	The notice to proceed was given to pool design consultants on February 5, 2013, to begin design. A project kick-off meeting was held February 8. Conceptual plans have been received from consultants. A staff review meeting is scheduled for March 8. Plans for the renovation of the pool are scheduled to be bid summer of 2013.
PROJECT	Park at Embrey Mill
Description	Rectangular athletic field complex
Project Budget Amount	\$11,780,000
Completion Date of Design Phase	Spring 2013
Current Projected Completion Date of Project	2014
Recent Activity	This site will be home to a new indoor recreation facility that will contain a 50 meter x 25 yard swimming pool. Early grading/infrastructure plan signature set plans were submitted February 28. All comments have been addressed. Initial clearing and rough grading was advertised for bids February 17. Contract award is scheduled for Board action on March 19. Design of the site work and amenities will continue once the indoor recreation facility building program and footprint is resolved, which is scheduled for Board consideration March 19.

## 2008 Transportation Bond Referendum Projects Underway

PROJECT	Mountain View Road Safety Improvements
Description	Safety improvements on Mountain View Road between Joshua Road and Rose Hill Farm Road.
Budget Amount	\$7,550,000
Projected Completion Date	June 2014
Recent Activity	Closings have been completed for the large properties. There are a few small properties which still need to be closed. Staff is proceeding with the closings and expects to be done in the next few weeks. Once the properties have closed, we will notify the utility companies to begin relocation efforts.
PROJECT	Brooke Road Safety Improvements Design
Description	Design of safety improvements on Brooke Road between Eskimo Hill Road and Stagecoach Road.
Budget Amount	\$6,500,000
Completion Date of Design Phase	April 2013
Projected Completion Date	June 2015
Recent Activity	VDOT has requested additional easements to accommodate maintenance of the proposed soldier pile walls. The additional easements will encroach 10 feet into the wetlands. Staff has set a meeting with the Northern Virginia Conservation Trust (owners of the land), the Army Corps of Engineers, the Virginia Department of Environmental Quality and VDOT to assess the possible impacts and decide on a course of action for the design.

# 2008 Transportation Bond Referendum Projects Underway

DDO IECT	Benjar Bood Safaty Improvements Design Bhoos 2
PROJECT	Poplar Road Safety Improvements Design Phase 2
Description	Design of safety improvements on Poplar Road north between Truslow Road and Kellogg Mill Road.
Budget Amount	\$2,100,000
Completion Date of ROW Phase	September 2013
Projected Completion Date	June 2015
Recent Activity	VDOT has reviewed the submitted plans and provided comments. The consultant has revised the plans and re-submitted for review.
PROJECT	Poplar Road & Mountain View Road Intersection Safety Improvements Design
Description	Design of safety improvements on Poplar Road at the intersection of Mountain View Road and south of the intersection of Poplar Road.
Budget Amount	\$1,500,000
Completion Date of Design Phase	December 2013
Projected Completion Date	June 2015
Recent Activity	A public hearing was held on February 27, 2013 from 5:30 to 8:00 p.m. at Margaret Brent Elementary School. Staff is collecting comments and preparing responses for submittal to VDOT.

PROJECT	Indoor Recreation Facility at Embrey Mill
Description	Indoor recreation facility with a 50 meter x 25 yard swimming pool
Project Budget	\$6,926,000
Completion Date of Design Phase	Winter 2013
Current Projected Completion Date of Project	2014
Recent Activity	Design of the building, preparation of scope of work and bid documents for the main pool and wellness pool have been put on hold until requests from the Board are addressed. Project team is discussing the possibilities and cost impacts of modifications to the pool and building to accommodate a range of options from the current design to one that can accommodate high level championship swim meets. Revised concept plan(s) for pool and building with estimate of costs have been prepared. Pool modifications, impacts and costs were discussed at the Board's Infrastructure Committee meeting on February 19. The Board requested additional information at their February 19 meeting. Staff and some Board members visited a comparable facility in Richmond on February 27. Staff will bring back to the Board's Infrastructure Committee meeting on March 19 information on revenue impacts similar facilities generate and potential financing options. This item is on the March 19 Board of Supervisors agenda for action.
PROJECT	Stafford Civil War Park
Description	Finalize signage, guard rails and erosion controls within the newly constructed park
Project Budget	\$80,000
Completion Date of Construction Phase	April 2013
Current Projected Completion Date of Project	April 2013
Recent Activity	Locations of all VA Logos, brown directional signs, have been approved. Purchase order has been sent to VA Logos for installation along with the signed contracts. Trail to picnic area completed by Scouts. Interior stop, speed, and road signs have been installed. Fabrication of story board signage underway. Park entrance sign proof is expected shortly. Planning for the grand opening event ongoing. Grand opening is April 27, 2013.

PROJECT	Smith Lake Park
Description	Parking lot expansion and enclosure of maintenance area
Project Budget Amount	\$546,500
Completion Date of Construction Phase	March 2013
Current Projected Completion Date of Project	March 2013
Recent Activity	All light poles have been installed and have been tested. Re-grading and stabilization of storm water management pond is complete. Storm water management pond riser structure is 50 percent complete. All parking lot expansion and maintenance areas are ready for paving pending suitable weather conditions. Landscaping of parking lot islands has been delayed due to weather. Installation of landscape plantings now scheduled for mid-March, weather depending. The pre-engineered covered equipment storage building bids were received January 28 but exceeded funds available. Considering options to implement at lower cost. Working with vendors to get quotes for this building.
PROJECT	Belmont-Ferry Farm Trail Phase 4
Description	Trail from Pratt Park to Route 3 at the Chatham Bridge
Project Budget Amount	Estimated to be \$390,000
Completion Date of Design Phase	2014
Current Projected Completion Date of Project	2015
Recent Activity	Notice to proceed for design issued January 29. Notices to property owners of impending survey work have been mailed. Completed topographic survey field work at the Belmont end of the project. Field work for the eastern end for the project is scheduled for week of March 18. Met with National Park Service staff at Chatham on February 6 and March 5 to discuss the project, learn more about the Park Service process and requirements, and to receive their input and concerns. We have received the engineering files for recent topographic survey and for wetlands survey from the National Park Service. Met with Belmont staff on February 14 to present the project, receive their input and concerns. Discussed milestones to meet with them throughout the project.

PROJECT	Chichester Building
Description	Construction of a new 13,800 square foot building on the Government Center Campus
Budget Amount	\$2,720,000
Projected Completion Date	March 2013
Recent Activity	All staff have been moved into the building. A grand opening celebration was held March 5, 2013.

The Chichester Building

The March 5 Ribbon Cutting

PROJECT	Wayfinding Signs System
Description	Working with Economic Development to place Gateway signs throughout the County.
Phase Budget Amount	Approximately \$55,000
Projected Completion Date	March 2013 Phase 1
Recent Activity	Signs are appearing on the primary and secondary roads at the entrances of Stafford County. The gateway signs on Jefferson Davis Highway, U.S. Route 17 and U.S. Route 3 were installed the first week of March. The Historic Falmouth signs that help define the Falmouth District are also being installed.

PROJECT	Staffordboro Boulevard Sidewalks
Description	Construct sidewalks at the intersection of Garrisonville Road and Staffordboro to provide necessary connection for pedestrian crossings
Projected Completion Date	June 2013
Recent Activity	The property owners have not processed the deed which was sent to them in December. The County has provided a bona fide offer and purchase agreement.
PROJECT	Poplar Road Phase I
Description	Design of the intersection and road improvements on Poplar Road between US-17 and Truslow Road
Budget Amount	\$2,300,000
Completion Date of Utility Phase	March 2013
Projected Completion Date	July 2014
Recent Activity	A contractor has been selected to begin clearing easements for utility relocation. Staff continues to work with utility companies to coordinate the relocation of their facilities.
PROJECT	Mountain View Road Phase II
Description	Design of safety improvements on Mountain View Road between Mountain View High School and Rose Hill Farm Road
Budget Amount	\$2,650,000
Completion Date of ROW Design	March 2013
Projected Completion Date	June 2015
Recent Activity	VDOT has reviewed the plans and submitted comments to the County. The consultant has revised the plans and submitted back to VDOT. Once VDOT has approved the plans, the County will request authorization to move to the right-of-way acquisition phase.

	1
PROJECT	Falmouth Village Improvements Design
Description	Design of parking and sidewalks in Falmouth.
Budget Amount	\$1,000,000
Projected Completion Date	June 2015
Recent Activity	This project was presented at the December 4, 2012 Infrastructure Committee meeting. Additional information will be provided to the committee at a later date.
PROJECT	Courthouse Area Streetscape Improvements
Description	Design of streetscape improvements along U.S. Route 1 between Hope Road and Stafford Hospital Center Boulevard, and Courthouse Road between Red Oak Drive and Stafford Avenue.
Budget Amount	\$2,856,670 (Enhancement Grant funding including 20% match.)
Completion Date of Design Phase	November 2012
Projected Completion Date	December 2013 Phase IA
Recent Activity	The Virginia Department of Historic Resources has requested additional information before they will grant approval. Staff has provided the information and expects a response this week. Staff has prepared and submitted bid documents to VDOT for their review. A Certificate of Appropriateness was submitted to the Architectural Review Board for their review, and will be added for the April ARB meeting.
PROJECT	Courthouse Remodeling
Description	Remodeling of the Courthouse office space after the Commonwealth Attorney moves to the Chichester Building
Design Phase Budget Amount	\$48,000
Projected Design Completion Date	February 2013
Recent Activity	A mandatory pre-bid meeting will be held on March 8, 2013. Bids will be opened on March 28, 2013.

Value of Food Stamp Benefits Issued	\$1,326,728	\$1,245,205	6.5%

The February Utilities Operations Report follows:

- 1. Both water treatment facilities and both wastewater treatment facilities met all permit limits and Health Department requirements for the month.
- 2. As of March 8, both reservoirs are full. Average water sales for February totaled 7.4 million gallons per day (mgd) an 8.5% increase over sales in February 2012. During the same period, the number of active accounts increased by 1.7% to 32,950.
- 3. Remaining Water and Wastewater Treatment Capacity:

Smith Lake WTF:	5,771 EDUs
Abel Lake WTF:	<u>1,351</u> EDUs
	7,122 EDUs

Aquia WWTF: 13,454 EDUs
 Little Falls Run WWTF: 12,961 EDUs
 26,415 EDUs

PROJECT	Rocky Pen Run Water Treatment Facility
Description	Design and construction of a 10 million gallons per day (mgd) water treatment facility utilizing membranes expandable to 25 mgd with incremental addition of more membranes and membrane infrastructure.
Project Budget Amount	\$26M
Completion Date of Design Phase	May 2011
Current Projected Completion Date of Project	June 2014
Recent Activity	Site infrastructure, under-slab works, and foundation construction is underway.  Construction of finished water storage tank is complete. Concrete clarifiers construction has begun as well as the sludge thickener and waste equalization basin. Several concrete slab sections in the clarifier area have been placed. Building envelope is scheduled to begin soon.

PROJECT	Rocky Pen Run Dam & Reservoir
Description	New dam to create a 521-acre, 5.54 billion gallon reservoir. Involves placement of approximately 900,000 cubic yards of select material and construction of a concrete emergency spillway and a pump station to provide water to the new water treatment facility.
Project Budget Amount	\$47M
Completion Date of Design Phase	August 2011
Current Projected Completion Date of Project	Fall 2013
Recent Activity	Dam: Embankment is approximately 97 percent complete. Spillway labyrinth wall construction nearly 100 percent complete. Spillway chute excavation is complete. Chute and stilling basin construction has begun. Pump station construction has begun. Reservoir clearing contract work is underway and is approximately 40 percent complete. Rocky Run Road: Abandonment process is underway. Design for roadway termini is complete and has been submitted to the Planning and Zoning Department. Abandonment/closure to occur very late 2013 to early 2014.

PROJECT	Falls Run Sewer Interceptor Replacement (Phase 1)
Description	13,000 feet of 42", 36", 30", 15", and 8" gravity sewer from the Falls Run Pump Station to the west side of I-95. Includes installation of 400 linear feet of steel casing under I-95, installation of 67 new precast manholes, and a new grinder vault at the pump station.
Project Budget Amount	\$6,798,000
Completion Date of Design Phase	June 2012
Current Projected Completion Date of Project	April 2014
Recent Activity	Clearing activity is complete. Pipe installation is anticipated to begin in mid to late March depending on delivery of the large diameter ductile iron pipe. A large number of submittals have been received and processed. Site work is being performed to allow installation of the pipe. The pump around on the upper stretch of the pipe has been installed and successfully tested. The pipe install under U.S. Route 17 is anticipated to begin the week of March 18. The bore under I-95 will begin after the U.S. Route 17 pipe is complete. Pipe and manholes are being delivered to the staging area in larger quantities.

PROJECT	Falls Run Pump Station Odor Control System
Description	Installation of biological gas-phase odor control system, piping, electrical and instrumentation upgrades needed to eliminate chronic odor issues in the Falmouth Bottom area associated with the pump station
Project Budget Amount	\$712,000
Completion Date of Design Phase	June 2012
Current Projected Completion Date of Project	September 2013
Recent Activity	Notice to proceed was issued on January 7, 2013, for this project. Installation is currently scheduled for in the late summer of 2013. A draft submittal for the odor control equipment was received the week of March 4 and is now under review.

PROJECT	Celebrate Virginia Water Tank
Description	Construction of a 1.0 MG elevated water tank on Greenbank Road in Celebrate Virginia near Banks Ford Parkway to replace the existing Berea Tank at Dominion Virginia Power.
Project Budget Amount	\$2.5M
Completion Date of Design Phase	July 2011
Current Projected Completion Date of Project	2014
Recent Activity	In process of acquiring the property. Subdivision plat approved. County will acquire property at a later date. County is pursuing easement on property. Construction should begin late spring 2013. Plans are at Virginia Department of Health for final review prior to issuance of permit to construct.
PROJECT	Courthouse Area (Wyche Road) Waterline Improvements
Description	Approximately 5,000 feet of 12-inch water main on Courthouse Road from I-95 to Red Oak Drive and on Wyche Road from Courthouse Road to Venture Drive. Will provide water transmission capacity to move water from the Smith Lake WTF to the Route 1 area south of the courthouse and will improve fire flows in the Wyche Road area.
Project Budget Amount	\$1.35M
Completion Date of Design Phase	June 2011
Current Projected Completion Date of Project	July 2013
Recent Activity	Project design is complete. Easement plats are complete. Approved plans have been received from Planning. Easement deeds have been prepared by the County Attorney's office. Ownership of one parcel is in question and title research is continuing. Minor revision to accommodate VDOT's I-95/630 interchange is underway. Easement acquisition is ongoing.

PROJECT	Route 1 North Sewer Line
Description	Approximately 4,400 feet of 18-inch gravity sewer along and parallel to U.S. Route 1. Will replace deteriorated gravity sewer and provide additional capacity to move wastewater from the northern part of the county toward the Aquia Creek pump station at U.S. Route 1 and Telegraph Road.
Project Budget Amount	\$4.15M
Completion Date of Design Phase	Dependent on build-out data, not yet received.
Current Projected Completion Date of Project	TBD
Recent Activity	A build-out analysis is being performed by other engineers currently, which will determine the final pipe size for this project. Bidding of this project is on hold pending a review of the Utilities Department budget. A change order has been received to complete the added scope necessary to complete the design of this project. A purchase order is expected to re-initiate this work in mid-March.
PROJECT	North Stafford Industrial Park Pump Station Replacement
Description	Replacement of existing pump station due to deterioration and revised operational requirements. Pumps through the force main along U.S. Route 1 to the Courthouse area. New station will pump into the Upper Accokeek sewer shed, which will reduce energy consumption and free up capacity in the U.S. Route 1 force main. Will include 1,729 feet of 6-inch force main from the pump station to connect with the existing force main from the Upper Accokeek Pump Station. A temporary force main connection will allow the existing station to pump to Upper Accokeek during construction of the new station.
Project Budget Amount	\$750,000
Completion Date of Design Phase	December 2011
Current Projected Completion Date of Project	May 2013
Recent Activity	Sequencing of the remaining construction work is being modified to provide the best final product in the most cost efficient manner. Weather pending, substantial completion should take place in late May 2013.

## **Public Information Office**

## Social Media – February 19, 2013 Through March 19, 2013

Facebook - **907** likes or people following our page. In the last month we gained **68** new followers.

Date	Top Posts Reach		
3/5/13	"Stafford County Public Schools are closed." 2,19		
3/7/13	"This just in from Stafford County Schools."	1,489	
2/27/13	"What type of retailers and restaurants would you like?"	694	
3/6/13	"All Stafford County Government offices are closed."	619	

\*Reach - The number of people to see a post

Twitter - **941** people following our page. In the last month, we gained **167** followers.

#### **Statistics**

A "tweet" is a post or blog that goes out via the computer or by cell phone. From February 19, through March 19, we tweeted 98 tweets.

26 people re-tweeted our tweet regarding press releases, meetings, cancellations, and school closings.

29 people mentioned Stafford in tweets regarding our press releases, and questions about school closings.

## Citizen's Assistance

The Citizens Assistance and Volunteer Services Office provides a central in-house resource for customer service and information on County services and complaints. Staff recruits, trains and places volunteers in various departments to assist with a number of tasks.

February 2013 Customer Inquiries handled by Citizens Assistance Staff				
Total Number of Phone Calls Handled	1165			
Live Help Chats*	127			
Citizen Tracker Requests Handled via County Website	14			
Citizens Assisted at the Administration Center Desk in Lobby	1233			
Total Number of Visitors to Administration Center	3922			
Citizens Assisted at the Judicial Center Desk in the Courthouse	1308			
Total Number of Volunteer Hours**	1284			

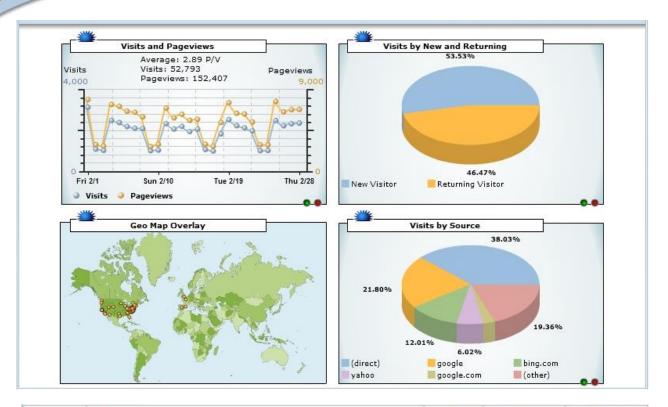

<sup>\*</sup> Live Help allows users to send an e-mail through the County's Web site and receive an immediate response from staff. Of the 127 Live Help requests, 95 were live chats in which the user and staff member exchanged information through instant messaging, and 32 were offline e-mails, which were received outside normal business hours (weekends or evenings) when staff is not online. Responses were provided as soon as possible or as soon as regular business hours resumed.

<sup>\*\*</sup> This fiscal year this equates to a savings of \$219,440.00 in full-time staff costs (with benefits), and a savings of \$175,650.00 without benefits. These figures are determined by taking the volunteer rate (\$26.00 with benefits) and (\$20.80 without benefits) that is dictated by the state's Bureau of Labor statistics and multiplying that by the total number of hours that are volunteered.
